

PRODUCT LIST

1934 FORD

RECESSED FIREWALL 3" & 5"

This panel is a full replacement unit. The old firewall must be un-picked and the new unit spot-welded into place. 3" will suit most small block conversions. 5" will suit most big block conversions.

STONE GUARD KITS

The stone guard kits bolt under the front & rear mudguards and include front mudguard and rear mudguard stay braces.

ROADSTER DASHBOARD PANEL

This is a street-rod application, does not have provision for glove-box or gauge cluster, (smooth finish).

Note: pictures not to scale
